

"Studying in China with fellow peers, numerous translators, teachers, and hospital staff to facilitate the abundance of knowledge that was presented in this trip was priceless!!! Not to mention the sheer experience of taking in the culture, food, and sites while making lifelong friends was an experience I hope to never forget!" -Deborah Kelley, Boulder Campus, 2010

"Studying in China through our school was a once in a lifetime opportunity for me. I learned many new treatment protocols, gained confidence in my skills, and loved seeing the Chinese style of treating. The culture and history was amazing. I would recommend this experience to any student or practitioner of Traditional Chinese Medicine!" --Erin Kaminker, Santa Fe Campus 2010

"The experience of visiting China was wonderful for me. It was priceless to be able to see Chinese Medicine practiced in a fully integrated way. It truly opened my mind to possibilities not yet seen here. The experience of the culture and wonderful gracious people were a added gift."--Laura Manire, Albuquerque campus 2009

**August 23 - September 16, 2011**

# Enjoy a Different Life in China

## Where are we going?

Heilongjiang University of Chinese Medicine, Harbin, China. An optional Beijing trip is arranged from September 9<sup>th</sup>-September 11<sup>th</sup>.

## What are we going to learn?

Acupuncture, Rehabilitation, Tui Na, Herbs, OB/GYN, Pediatric, Cosmetic, Dermatology, and more.

## Will this trip be counted as credits towards my education with SWAC?

Yes, this trip equals 2 acupuncture clinics. You also will earn a diploma from Heilongjiang University of Chinese Medicine.

## Can I get financial aid for this trip?

Yes, financial aid is available for enrolled students. Consult with our Financial Aid advisor for details.

## Come to listen to our China trip presentation at each campus:

Santa Fe Campus: February 17, 12:00pm

Boulder Campus: February 7, 12:30pm

Albuquerque Campus: February 2, 12:30pm

We received our diploma!

Hard to say goodbye to our wonderful interpreter.

We are on the Great Wall!

Program Cost: approximately \$6,000  
Including: airfare, tuition, hotel lodging, breakfast, city sightseeing, diploma, and graduation  
Optional Beijing Trip: \$500 (by train) or \$700 (by airplane) (including transportation cost, hotel, all meals, all sight-seeing cost, interpreter cost and air-conditioned bus)
